Hey, my friend Tom Ortega (founder of the Flex 360 conference) is taking a survey on how to make the Flex 360 conference the best you've ever attended. So far they've had two and i know they are working on more.

Here's a link to the survey:

http://www.surveymonkey.com/s.aspx?sm=yGMLUK_2f4IRYXqoobzijRuQ_3d_3d

Your answers to the survey I'm sure will help him make the conference even better and more responsive to your needs.
